Contents

Simulation of over-bark tree bole diameters, through the RFr (Random Forest Regression) algorithm Maria J. Diamantopoulou	93
Preliminary results of European budworm <i>Choristoneura murinana</i> (Hubner) impact on Greek fir radial growth at Mts Parnassus and Giona Panos V. Petrakis, Panagiotis P. Koulelis, Vassilia P. Fassouli, Alexandra D. Solomou	102
Acoustic ecology of tawny owl (<i>Strix aluco</i>) in the Greek Rhodope Mountains using passive acoustic monitoring methods Christos Astaras, Christina Valeta, Ioakim Vasileiadis	110
Diversity of leaf morphometric parameters in natural Greek populations of <i>Arbutus unedo</i> Despoina Eleni Politi, Filippos A. (Phil) Aravanopoulos	117
Determining structure and volume of the European beech (<i>Fagus sylvatica</i> L.) deadwood in managed stands in the Rodopi Mountain Range National Park, Greece Stavros Kechagioglou, Dimitra Papadopoulou, Thekla Tsitsoni	122
Response of date palm offshoots (<i>Phoenix dactylifera</i> L.) to the foliar spray of salicylic acid and citric acid under salinity conditions Hussein J. Shareef, Muayed F. Abbas, Abbas M. Jasim	130
Distribution, productivity and natural regeneration of black alder (<i>Alnus glutinosa</i> (L.) Gaertn.) in Ukrainian Polissya Volodymyr Lukyanets, Maksym Rumiantsev, Oksana Tarnopilska, Oleksii Kobets, Sergiy Musienko, Iryna Obolonyk, Vira Bondarenko, Svitlana Pozniakova	137
Ground beetles in Romanian oilseed rape fields and adjacent grasslands (Coleoptera: Carabidae) Teodora Teofilova	148
Landscape use and food habits of the chilla fox (<i>Lycalopex griseus</i>, Gray) and domestic dog (<i>Canis lupus familiaris</i>) in a peri-urban environment of south-central Chile Alfredo H. Zúñiga, Jaime R. Rau, Rodolfo Sandoval, Víctor Fuenzalida	159
Species variability in the relative strength of intraspecific and interspecific interactions Alicia J. Foxx	168
Geometric Morphometrics use in the examination of subgenus <i>Quercus</i> leaf shape variation in Algeria Abdeldjalil Aissi, Yassine Beghami	175
Distribution of invasive plants and their association with wild ungulates in Barandabhar Corridor Forest, Nepal Jagan Nath Adhikari, Bishnu Prasad Bhattarai, Maan Bahadur Rokaya, Tej Bahadur Thapa	182
